## *Join us for the Crystal Heart Gala* *Presented by University of Louisville*

February 23, 2008  
Marriott Louisville Downtown  
280 West Jefferson Street • Louisville, KY 40202  
6:00pm - Midnight • Formal Attire

The Crystal Heart Gala, presented by the University of Louisville, celebrates its 16th year in 2008. The gala benefits the American Heart Association, which fights heart disease and stroke by funding advocacy, public and professional education, and research—including more than \$2.8 million in active awards at U of L. While the purpose is serious, the event is upbeat and enjoyable. The dinner is fine, the dancing is lively, and the silent and live auctions are exciting, with valuable—and, often, invaluable—items up for bid.

**For more information and to preview auction packages, visit  
[www.louisvilleheartgala.com](http://www.louisvilleheartgala.com) or call 502-371-6012.**
